Meet Zuhrah

A series of traumatic events in his home country saw Dad Zuhair, search far and wide for better treatment options for his first born daughter.

Fundraising helps us to support patients from Australia and from overseas, like Zuhrah (pictured), from Pakistan.

Thanks to the generosity of our supporters just like you, Craniofacial Australia funded return flights from Pakistan to Australia, transport and meals during their stay to receive treatment in Adelaide.

“Our prayers were finally answered. We finally made our way to Adelaide for treatment. Our visit to Adelaide, South Australia was a revelation. Our hearts are filled with gratitude for everyone who has supported us on this journey—from the dedicated medical team to the compassionate souls and donors at Craniofacial Australia. They have given our daughter a fighting chance and the promise of a brighter future”.

- Fun run, trek, walk or other challenge
- Workplace morning tea
- Quiz night
- Special day at home, school, sports or community club eg. Bake, crazy hair day, etc
