Fact Sheet 2

CONTACT DETAILS FOR CRANIOFACIAL & CLEFT CLINICS LOCATED IN HOSPITALS AROUND AUSTRALIA

Please contact hospitals directly to access the most current and specific information regarding their specific craniofacial clinic service.

Referrals to craniofacial and cleft clinics are typically made through your child's primary care physician (GP) or a specialist, such as a paediatrician or a dentist. See Fact Sheet 1: Referral Process to Access a Craniofacial Specialist for details about the referral process in Australia.
